

Job Description – React / Frontend Engineer

We are seeking a talented and passionate React / Frontend Engineer to join our team. You will be responsible for building high-quality, scalable, and user-friendly web applications, collaborating closely with designers, backend developers, and product managers to deliver exceptional user experiences.

Key Responsibilities: - Develop, test, and deploy modern, responsive web applications using React.js and related technologies. - Collaborate with UX/UI designers to create pixel-perfect implementations. - Write clean, maintainable, and reusable code following industry best practices. - Optimize applications for maximum performance across a vast array of web-capable devices and browsers. - Work closely with backend engineers to integrate APIs and services. - Participate in code reviews and provide constructive feedback to peers.

Required Skills & Qualifications: - Strong proficiency in JavaScript, ES6+, HTML5, and CSS3. - Solid experience with React.js and its ecosystem (Redux, React Router, Hooks). - Experience with build tools like Webpack, Vite, or similar. - Understanding of RESTful APIs and modern frontend development practices. - Familiarity with Git and collaborative development workflows. - Strong problem-solving skills and attention to detail. - Bachelor's degree in Computer Science or related field, or equivalent practical experience.

Nice-to-Have Skills: - Experience with TypeScript. - Knowledge of testing frameworks such as Jest, React Testing Library, or Cypress. - Familiarity with CI/CD processes and DevOps culture. - Experience with design tools like Figma or Adobe XD.

What We Offer: - Competitive salary and performance-based bonuses. - Flexible working hours and remote-friendly culture. - Opportunities for professional growth and learning. - Inclusive, collaborative, and innovative work environment.

If you are passionate about creating world-class web applications and enjoy working in a dynamic, fast-paced environment, we would love to hear from you! Apply today and be part of our journey.
